

Hello volleyball players and parents!

My name is Coach Griffin, and I am the 8th grade volleyball coach at Canal Winchester Middle School. This will be my first year at Canal, as I have moved in from Texas. However, it is not my first year to coach. I have coached high school volleyball and basketball for seven years. I am excited to get to you know you all and to get the volleyball season going!

The first day of practice will be on Monday, August 10th from 8:00 a.m. to 10:00 a.m. This practice time will remain the same through August 19th. Beginning August 20th, practices will be from 3:00 p.m. to 5:00 p.m. This practice time will continue once the school year starts and remain the same through the end of the season in October.

The first few days of the first week of practice will be considered a try-out. The 7th grade coach, Coach Grimes, and I will evaluate all of you, and we hope to announce the team by Thursday, August 13th or Friday, August 14th. After this time, only those girls who made the team should continue to attend practice.

For practice, please wear a t-shirt (no tank tops or spaghetti-strap shirts), shorts (or tights), and a good pair of tennis shoes. You may also want to have your own water bottle.

Please email me with any questions. Also, please reply to this email so I know that you received it. Feel free to forward this on to any of your friends who are also interested in playing volleyball this season.

I look forward to meeting you all!

Coach Griffin

**NOTE: You MUST have a completed physical in order to practice!**
